

# WHY SO MANY LANGUAGES?

Before the Tower of Babel, everybody spoke the same language. The people were going to build a tower to heaven to draw attention to themselves instead of looking to God. So God confused their language so that they couldn't understand each other. That way instead of all staying together in one place they spread out throughout the whole earth.

How many words can you make out of the letters in:

## TOWER OF BABEL

---

---

---

---

---

---

---

---

---

---

---

---

How many words in different languages do you know? Write the words and their meanings in this block or draw a picture of something you know in another language and then write its name in that language.

## THE NAME OF JESUS IN 11 LANGUAGES

Find Jesus name in 11 languages in the puzzle to the left.
